Federal Tax Funds Will be Sought for Lake Project

The potentiality of federal or state grants for planning, and later actual development work, on the proposed Horseshoe Lake recreation project will be investigated by state representatives of the area at the request of the Horseshoe Lake Area Commission which met at the Rose Bowl in Granite City Thursday night.

State Reps. Edgar H. Lehman of East St. Louis, and Lloyd "Curly" Harris and Leland Kennedy of Madison county, attended the session to discuss the project. Also attending the session in addition to commission members were Harry Briggs, supervisor of Nameoki township; C. E. Townsend, editor and publisher of the Press-Record, and Theodore Mikesell, executive secretary of the Southwestern Illinois Metropolitan Area Planning Commission.

The discussion centered around the possible source and method of obtaining funds for planning development of the Horseshoe Lake area as a recreational project. The commission was appointed by the Illinois Legislature in 1963 to map such a program. There are 15 members on the commission which is headed by Henry Karantjoff, chairman of the board of the Granite City Trust and Savings bank. Members of the commission are from Madison and St. Clair counties.

Proclamation

WHEREAS, in honor the Secretary, the week of April 18, 1965, has been designated as Secretaries Week, and

WHEREAS, in keeping with the best traditions of their profession, secretaries accept all vital responsibilities and are commensurate with industry and government; and

WHEREAS, the efforts of their skilled office workers are usually taken for granted; their many contributions to the nation's progress are unrecognized; and

WHEREAS, to honor the secretaries now doing their jobs diligently and to encourage others to enter this worthy career, it is essential that rightful recognition be given them.

NOW, THEREFORE, we, the mayors of the Quad-Cities do hereby declare the week of April 18, 1965, Secretaries Week and ask that all business, and industry join in giving due recognition to this group, paying special attention to Secretaries Day on April 21, 1965.

Madison Police Pension Fund Stable—Mayor

Annual financial reports on the Madison police pension fund filed with the state and are audited each year, Mayor Stephen Maeras said today.

The statement was in reference to a Press-Record Forum editorial letter from Madison voter published in Thursday's edition, questioning a possible shortage of \$37,000.

Mayor Maeras said a \$37,000 shortage in the fund had been reported during the previous administration but it was repaid in his administration during the 1960s.

At one time 10% of all salaries were reserved for pensions, but during the two previous administrations the city suffered a shortage of funds and the money was used for other corporate purposes, the mayor explained.

"I hope that the pension fund now are being invested at 4 1/2% interest," the mayor said, and added that, if it was necessary, the city could have issued bonds to finance the fund, but the city has always had sufficient money to cover it.

He noted that the pension fund is controlled by a police pension board composed of three patrolmen, three sergeants and three lieutenants, headed by Marion Lionberger.

Madison Man Loses Driving Privileges

A driver's license revocation was ruled this week for Lee V. Vaughn, 807 Webster street, Madison, for displaying a license not issued to him, it was announced from the office of Paul Powell, secretary of state Springfield.

The office also announced the issuance of a probationary permit to Daniel L. Antonovich, 1030 Tova street, Madison.

Union Good Friday Services Downtown Well Attended

An estimated 250 persons attended Union Good Friday services sponsored by the Quad-City Ministerial Association last week at Niedringhaus Memorial Methodist, while 200 were present at the annual service at the Washington Theatre under the sponsorship of the Lutheran Bureau of the Tri-Cities.

Guest speaker at the Union service was the Rev. James Robert Thompson, pastor of the Twelfth Street Presbyterian Church in Alton. Other pastors

participated in the service and served as ushers. Warren Simpkins, director of vocal music at the Granite City high school, directed the music.

The Rev. Robert Grunow, director of seminary relations and an assistant professor of Concordia Seminary, addressed the meeting at the theatre in which Concordia, Hope and St. John Lutheran churches participated. The senior choir of St. John Church furnished a Lenten chorale, and Mrs. Joseph Cell was at the organ.

LaMear Offers Cut Of \$45,000 in GC Garbage Contract

A \$45,000 cut in its contract price for garbage-trash collections is being offered Granite City by LaMear-United Disposal in a contract proposal.

The firm's present \$147,500 contract is being terminated in favor of a \$122,500 contract with National Disposal Co., Barrington, which submitted the low contract bid on March 13. LaMear-United did not submit a bid at that time.

LaMear-United is offering the city a three-year contract for \$102,000 a year and will begin on July 1 to use a sanitary landfill operation on its own site. Under National's \$122,500 proposal, the city is to provide a landfill site, but Mayor-elect Partney says this will be no problem.

He knows of a site that is nearby and will be furnished to the city. LaMear also is offering weekly pickups during the hot months of June, July and August. It has been collecting just once a week and that is the problem under the National contract.

The present contracting firm has been collecting garbage and trash for three years here and said it was unable to submit a bid by the March 15 deadline because it was not notified until March 19 of the termination of its contract.

Finance committee chairman Paul Rutledge pointed out last week that if the city had not notified the firm before March 13, the city could have been held to another three years at the \$147,500 figure. However, Frank Yust, a vice-president for LaMear-United, told council members last Monday that he was working on a new proposal at the time the city sent its termination notice.

Creative Philosophy Urged for Young GOP

State Rep. Ralph T. Smith of Alton, formerly of Granite City, was guest speaker Thursday at a meeting of the Granite City Young Republicans Club held at the YMCA and stressed that the future must be faced with a creative, forward-looking philosophy.

He urged the group to keep informed of GOP principles. Smith was accompanied by County GOP Chairman Charles Charnett of Alton, who spoke on the party's needs and plans for action in the county.

Other special guests were James McRoberts of East St. Louis, vice-president of the state organization; Donald Callidige, president of the Alton Young Republicans; Robert Klaus, president of the Collinsville group and Joseph Thomas, president of the St. Clair county Young Republicans.

The planned federation of Madison county clubs was discussed, and ideas were exchanged for a cooperative program among area young Republicans.

Local representatives of the party organization present were Roy Lynn, county vice-chairman, and precinct committee men Mrs. Lily Chaboude, Samuel Shackelford and Charles Borth.

Refreshments were served by the Granite City Republican Women's Club.

1750 to be Told Of October Phone Number Changes

Telephone customers who will have their numbers changed in October will be notified in the next few days. Michael W. Rafferty, local Southwestern Bell Telephone Co. manager, announced today.

Expansion of Quad-City area telephone facilities has become necessary to meet growing needs of the community, and the new telephone building being constructed in the Pontoon Beach area is scheduled for use in October.

With the completion of this exchange building, 1750 customers will have their numbers changed. Rafferty explained.

New prefixes will be SYcamore 7 and WellingtOn 1.

Glensview customers who are affected will be changed to SYcamore 7 and WellingtOn 1. Triangle customers will be changed to WellingtOn.

Landlot Seeks Third Term as Head of Board

Harold Landolt, Alhambra township supervisor, has announced his candidacy for election to a third consecutive year as chairman of the Madison county board of supervisors.

The chairman will be named by the board at a reorganization meeting April 28 in the courthouse at Edwardsville. Newly elected and re-elected township supervisors and assistant supervisors will begin their new terms.

The 49-member board has one last job. It is to select a new supervisor. The mayor and Granite City council are to appoint a successor. Several residents have been considered for the position which expires in two years.

Landolt so far is the only candidate for the chairmanship. His announcement came at a dinner he sponsored last week for new, holdover and outgoing members.

ICPT Instruction School Planned Here Thursday

The first in a series of three spring schools of instruction, sponsored by District 29 Illinois Congress of Parents and Teachers, will be conducted at 7:30 p.m. Thursday at Coolidge junior high school. The remaining sessions are scheduled for April 26 at Webster school, Collinsville, and April 29 at the East elementary school, Jesselville.

Principal speaker at the local session will be Mrs. Ula Brander of Wood River, ICPT vice-president and District 29 leadership training chairman. Her topic is entitled "You Are the PTA."

Speakers at the later meetings will be Wilbur R. Trimpe, Madison county superintendent of schools, who will speak on the subject "PTA Is a Necessity," and Mrs. Newton Grove of Chicago, ICPT training chairman, who will address the Jesselville meeting on "Leadership Training Is a Guarantee for the Future."

Following the talks, participants will participate in one-hour workshops taught by district and local PTA officials.

Individual instruction programs will be given for local unit officers and chairmen in categories as follows: Presidents and vice-presidents; secretaries; treasurers and budget and finance; health; legislation; membership; and hospital; and magazine; publicity; and PTA grants and publications.

Representatives from most of the district's 98 individual PTA units covering a three-county area are expected to attend, or more of the instruction schools, it is reported by Mrs. H. Hanfelter of Granite City, District 29 director.

Mayor to Seek Probe If Deputies Are Used

"It's ridiculous and fantastic," Madison Mayor Stephen Maerz said the Press-Record today in commenting on reports that Sheriff Barney Fournier would send deputies to "protect life and property" during tomorrow's city election.

"I'm going to ask the county board to investigate any waste of funds used to provide duplicate police services," the veteran city official said. He charged the former Madison police chief with being personally involved in the current political campaign.

"The police are the same dedicated officers he supervised for 20 years. Deputies should be sent only where there has been a breakdown in law enforcement, and this certainly hasn't happened. I recall that when he was chief, he resented the sheriff coming in. If it wasn't all right then, it isn't all right now."

Third Ward Record Praised, Criticized

Opposing statements by Madison Third Ward aldermanic candidates during the weekend left voters with a number of points of comparison.

Ray Kozielek, incumbent, said he has missed only five of 225 meetings in eight years. He listed accomplishments including the first police dog patrol in the Quad-Cities, instant telephone communication with firemen and law fire insurance rates, street widening and resurfacing, new lighting, curb and walk replacement, tree planting, expanded rubbish collection, new construction, dedication of Kennedy drive, current McCambridge avenue repaving, city building renovations, an industrial land purchase and his service as mayor pro tem and as committee chairman for a \$2 million sewer project.

Sam Chomko criticized the council for population loss, suppression of comment by citizens at meetings, secret city and police records, police political activity, employee election funds, work late hours, unprotected railroad crossings, insufficient recreation facilities and creation of extra city jobs.

As two health officers, two building inspectors and two at times, Chomko said some key employees "do little or nothing" and others hold as many as five jobs.

Kozielek is the \$120,000-a-year school treasurer, he noted.

Walter Sparks, operator of the D&K service station at Niedringhaus avenue and Benton street, chased a thief at 7 a.m. today. The man got away, but not with \$200 he had taken from the cash register.

Sparks told police the thief, described as a Negro about 20 years old, had entered the station to use the telephone and was reported to catch a bus to East St. Louis. During the chase, he threw the money down. Sparks said the thief was wearing a brown cap with goggles on the forehead, a brown short coat and blue jeans.

MISS Fur Coat Stolen

Theft of her \$135 fur coat from Ralph & Charles Steak House in the 1400 block of Fourth street was reported to Madison police Saturday night by Margie Schmidt, 2533 Lynch avenue.

Leo Wolf, 2111 Delmar avenue, reported three break-ins to police on Saturday. Listed as missing were two cameras belonging to Mr. and Mrs. Thomas Gagner of 2109 Delmar avenue, where entrance was gained by forcing a basement door.

Wolf said a basement at 2113 Delmar avenue also was entered, but nothing was taken; and he reported his 1960 station wagon was entered by thieves who broke a window and then opened the glove compartment. Nothing was missing from the car.

Thief Is Gardener?

Theft of garden tools from his garage was reported to police Saturday evening by Earl Lovejoy, 2805 Edgewood drive. Missing are a rake, two shovels and a hand saw.

A 1955 convertible automobile owned by Charles Skinner, Fair View Acres, Eagle Park was stolen from the lot at the Rose Bowl, it was reported at 10:05 p.m. Friday by Donald Richardson, Fair View Acres. The car was found about 4 a.m. Saturday at East 23rd and Alexander street.

The office of the Blake Motor Sales agency, 1733 Madison avenue, was ransacked in a burglary but nothing was taken, it was reported Thursday. Entry was gained by breaking the glass in a metal door and the intruder climbed through.

\$135,435 to GC Schools

Cong. Melvin Price was advised Friday that the U. S. Office of Education has listed \$135,435 as the tentative 1964-65 federal tax allocation to the Granite City school district under Public Law 874—school operation and maintenance funds for federally-affected areas. Of this, \$101,576 will be paid immediately.

Autos Collide

Involved in a collision Saturday night at Niedringhaus avenue and Benton streets were autos driven by Lee E. Dees, 719 Twenty-sixth place, who was going east, and Charles Vickham, 2804 Edgewood drive, who was traveling north.

Veterans on the Move—VA Officials Report

The main barrier to the smooth delivery of veterans pension, compensation and insurance checks is the tendency of the American veteran to change his place of residence. William J. Driver, administrator of Veterans Affairs, said today.

More than half (53.9%) of all the veterans in the United States were living in a different house in 1964 than in 1955, according to studies of the Bureau of the Census.

In addition, one veteran in every ten was living in a different state.

This shift in location would pose no problem if the veterans would notify promptly the VA or their former postmasters of their new address. They don't, however, and, as a result, many VA pension, compensation or insurance checks are undeliverable and are returned to the Treasury disbursing office.

If the following month's check is also returned, no further monthly mailing may be made. Thus the veteran has unintentionally cut off his own VA payment, until he later makes his whereabouts known.

During January 1965 the records at the VA Data Processing Center, Hines, Ill., show that more than 60,000 veterans changed their addresses. Some of them notified VA or their former postmasters but 24,372 checks were returned for lack of delivery information.

This oversight often works its hardship, especially when widows with small children are relying on the VA or the post office as their main source of income.

The Veterans Administration joins postal officials in urging all veterans or families of veterans planning to move to arrange to notify the VA or the post office immediately of their new address.

Candidate Proposes Independent Auditing

L. R. Patterson, Madison city treasurer candidate, said today he would "keep current and accurate records of all city finances available to the public at all times."

He promised periodic financial statements and said he would demand a semi-annual audit of all expenditures by an impartial auditing firm for nine years.

Stop Sign Charge

A charge of disobeying a stop sign at 27th street and Grand avenue was placed against Barbara Cline Jr., 2641 Madison avenue, Saturday morning. His hearing is set for April 29.

Traffic Charge

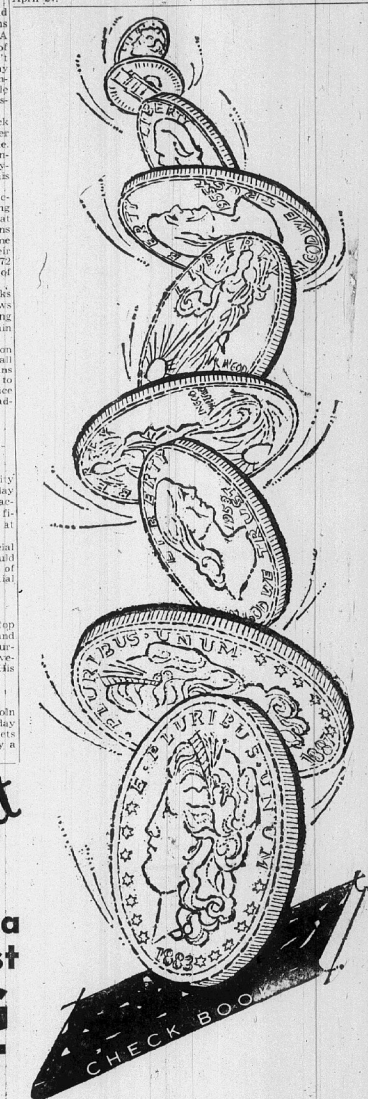

Frank Wilson, 2509 Lincoln avenue was arrested yesterday at East 24th and August streets on a charge of failing to obey a stop sign.

Speeding Charge

Joseph Schultz Jr., St. Louis, was arrested early Sunday by Madison police who charged him with speeding 40 mph on Madison avenue. A hearing was set for April 27.

AAUW to Give 'Hello Dolly' Review for Scholarship Fund

The Granite City branch of the American Association of University Women is sponsoring a play review and tea Saturday, April 24, at 2 p.m. in the Fellowship Hall of St. Peter E. & R. Church.

Mrs. John Bergmann of Ladue, Mo., will review the play "Hello Dolly," produced by David Morlock. A native St. Louisian, Mrs. Bergmann is a graduate of Washington University where she majored in dramatics. Before her marriage she taught music and dramatics in the University City schools. She has studied under Mrs. John F. Lilly, a well known reviewer, for three years and has been reviewing for clubs, churches and organizations for about five years in Missouri, Illinois, Indiana and Ohio.

Mrs. Bergmann is known as a vivacious, enthusiastic person who loves this work and who gives an entertaining review.

Tickets may be obtained from any AAUW member or at the door for a donation of \$1. The proceeds will be applied to the Granite City Scholarship Fund.

Mrs. Gladys Parks is president of the Granite City branch of the AAUW.

BETHROTHED, Miss Shari Elaine Stille, whose engagement to Robert Eugene Dawes was announced by her parents, Mr. and Mrs. Elmer Stille, 2923 Pershing avenue, at a party given Saturday night. The prospective bridegroom, a son of Mr. and Mrs. Emerald Dawes, 17 Terrace lane, is a graduate of Granite City high school and Belleville Barber College. The bride-elect is a GCHS senior. Wedding plans are indefinite.

Miss Linda K. Matchell and Donald Whitehead are Wed

The wedding of Miss Linda K. Matchell, daughter of Mr. and Mrs. Lloyd A. Matchell, 4239 Revell Lane, and Donald W. Whitehead, whose parents are Mr. and Mrs. M. M. Whitehead of Lake City, Ark., took place Saturday evening at Grace

Episcopal Church. The bride, who is a member of the church, wore a white street-length dress. The fitted lace bodice had a round neckline and long sleeves. The full skirt was of chiffon. A crown of tiny red pearls and crystals held in place a ballerina-length veil and the bride carried a bouquet of white orchids and stephanotis centered with a corsage.

Mr. and Mrs. Buescher, the bride's only sister, was matron of honor. She wore a pink eyelet two-piece dress, a pink hat and white accessories. Her flowers were pink and white carnations. Marion Whitehead was best man for his brother, and Arnold Buescher, the bride's brother-in-law, served as usher. The bridegroom's mother, Mrs. Lorraine Faustich, soloist, and Mrs. Fuly Sparks, organist, provided the musical program. The songs were "Because" and "The Lord's Prayer."

For her daughter's wedding, Mrs. Matchell selected a dress of rose beige lace with harmonizing accessories, while the bridegroom's mother chose a light green suit and white accessories.

A reception was held at the Matchell home after the service. After a short honeymoon trip the newweds will live on East 25th street. The former Miss Matchell is employed at the Granite City Army Depot. The bridegroom is an employee of McDonnell Aircraft Corp.

Among the wedding guests here for the wedding, besides the bridegroom's parents, were Mr. and Mrs. W. H. Woodward of Summerfield, Ill., grandparents of the bride, Mr. and Mrs. Arthur Buescher and sons, Timothy and Kevin Lee, and Mr. and Mrs. Junior Faustich, all of Edwardsville.

Hearts, Mercers Open with Wins

Both Granite City baseball teams scored close victories yesterday as the Southwestern Inter-City League opened its 35th season. Sacred Heart nipped newcomer Mitchell A. C. 4-3 at Wilson Park and Mercer Funeral Home edged Kahok Bowl 11-9 at Collinsville.

Other teams starting the season in the win column were the Troy Redbirds, who blanked St. Clair Heating of East St. Louis 6-0 and the Maryville Red Sox, 3-1 winners over the Pocatontos Braves. Polish-American War Veterans of East St. Louis had an open date.

Right-hander Terry Tayon struck out 10 as he limited Mitchell to six hits. He also started at the plate, singling in his team's first two runs in the second inning.

Losers Bill Lieman also pitched the full nine innings and gave up six hits, including two singles by Roy Logan. Larry Williams had two of Mitchell's safeties.

Geoffrey Comes Through The Hearts, beginning their 25th consecutive season in the league, broke a 3-3 tie in the seventh inning. The game marked Eddie Opich's debut as Sacred Heart's reliever. Doug Edwards, failed to retire a single batter. He pitched the last three innings.

Sam Geoffrey's son, Dave Sparks, scored on the unworked three wild pitches he

only extra base hit for Mitchell, fore Bill Moder replaced him. Steve Schardan, Pat Schuman Moder allowed a sacrifice fly by Bob Allison rapped singles Duke Maxwell and two more runs in the third inning. Four-Run Homer

Wayne Crosson helped make the first start of Mercer chuckle. Gavillet walked the first four to a grand-slam homer for the Kahok batters, and then gave

Colville Papp, former Minnesota Twins farmhand, relieved before the inning was over. Gavillet walked the last three

innings. The Mercers, behind 3-1, started their comeback with five

runs in the fifth with Rich Boehlin, Don Grabree, Charles "Jo-Jo" Johannmeier, Gary Cumberland and Harry Smith setting the hits. Johannmeier had three hits.

Next Sunday, the schedule has Sacred Heart at St. Clair and Mercer's PAWV at Pocatontos and Maryville's Red Sox will be idle.

Teeth Team Added At a league meeting Friday night, a tenth team was added to the Inter-City League lineup. Previously, only nine clubs were entered.

The new entry is the Maryville A-C Contractors, giving the small community two teams in the loop. A-C will be ready to begin league play May 2 here against the Mercers.

The Contractors, managed by Mike Semanick, will join the league's Blue Division along with St. Clair, Mercer, Pocatontos and Mitchell.

Score by innings: R H E Mitchell 000-020 100-3 6 3 Sacred Heart 020 001 00-4 6 5 Lieman and Schuman Tayon and Logan.

Score by innings: R H E Mercer 100 055 000-11 11 1 Collinsville 530 000 00-0 9 2 Gavillet, Papp (11), Kafski (7) and Smith, Edwards, Vest (6), Moder (5) and Bruce.

SCORING ATTEMPT by Pat Degonia (second from left) of the Gitchoff Reds is stopped by Uncle Charlie's goalie Rick Bahnenstiel during the Atom soccer tournament Saturday at Coolidge junior high school. Behind Bahnenstiel is Gitchoff's Tom Burns and at left is referee Tony Tito. Gitchoff won 2-0.

Park District Umpires To Meet Tomorrow Night

An umpire's clinic and meeting will be held at 7 p.m. tomorrow at the Community Center in Lincoln Place sponsored by the Granite City park district.

All men interested in umpiring in the park boys' baseball program this spring and summer should attend, according to director of umpires Jerry Donley.

Only those who are graduating high school seniors or older are eligible.

Tavern League Schedules Rules Meeting Tonight A meeting of the Tri-City Tavern League will be held at 8 p.m. today at Bowland, secretary Andy Mosko announced.

All managers and players are asked to attend, he said. Carl Harrison, umpire-in-chief, will discuss playing rules, ground rules and control of games. The slow-pitch softball league opens play May 2.

Line Wins Shot Put At Conference Meet

A dual meet at Cahokia is next for the Granite City high school track team after a sixth-place finish in the Southwestern Conference Relays at Alton.

The Warriors visit the Comanches at 4 p.m. Wednesday, their second dual encounter (River-view Gardens won the first 64-55). Barring a schedule change, the Warriors have already made their last appearance at home this season.

East St. Louis' Flyers won the relays Thursday night with 92 points, followed by 71 by the state champion Alton Redbirds. Handled far behind were Belleville with 38 points, Wood River 32½, Edwardsville 30, Granite City 26½ and Collinsville 24½. The weather was cold

and windy and the track was slowed by afternoon rain.

Only one new record was set in the junior division by East Side's 440-yard relay team, timed in 48 seconds flat.

Junior division scores were: East St. Louis 35½; Alton 29, Belleville 22, Edwardsville 17½, Granite City 15½, Wood River 14 and Collinsville 11.

Line's Toss 21-11½ Only senior division first place for the Warriors was by shot putter Jerry Line. Although he had reached 34 feet 3 inches in an earlier meet, his winning toss in the miserable weather was only 31½ ft.

Dwain Bridges tied for second place in the pole vault—his best height an even 12 feet. Edwardsville's Bill Foster won the event at 12-6, a mark Bridges had achieved twice previously in setting a GCHS record.

In the relays, Granite City was fourth in the distance medley, the 880 and the sprint medley and ran fifth in the 440, and won hurdles shuttle. All running events were won by either East St. Louis or Alton.

Carl Deal of Edwardsville, the state high jump champion, won his event at 6 feet 2 inches, an inch and a half off the record set last year by Terry Cole of the Flyers.

Partney Improves Taking a cue from his father, the Granite City major-league sophomore Dan Partney made a surprisingly strong showing in winning the junior broad jump at 20 feet 3¼ inches.

That would have been good enough to win Partney a place in the senior event where the winning distance was 21-9¼. It was a great improvement for the youngster who had been hitting consistently at the 18-foot mark. The record is 20-8½.

Brian LaMew of the Warriors was fifth in the junior pole vault and the team won third in the 880 relay and fourth in the 440 relay.

Boosters Club to Pick Officers' Slate Tonight Election of officers will be held at 8 p.m. today at the YMCA auditorium by the Boosters of the Fighting Warriors. The adult organization supports the athletic programs of Granite City high school.

Present officers are: George E. Moore sr., president; Cameron VanBuskirk, vice-president; Cecil Nash, treasurer and Mrs. Valerie Everett, secretary. An 11-member board of directors is to be named also.

Break Ends—GC Ball Club In Loop Play

Granite City high school's baseball game Thursday at Wood River was rained out. No new date has been set. The showers also stopped the eighth-grade diamond team and the tennis squad in contests against Wood River.

Three athletic teams also resumed action tomorrow as the Easter vacation break ends. For complete schedule, see "Sports."

The Warriors are slated to visit Southwestern Conference leader Alton at 4 p.m. tomorrow. The Redbirds are unbeaten in four conference games and stand 6-0 overall.

Other conference games this week are against Belleville Wednesday afternoon and Edwardsville Thursday afternoon, both at Wilson Park. A home doubleheader with St. Louis U. high is booked Saturday.

Baseball teams also resume action tomorrow as the Easter vacation break ends. For complete schedule, see "Sports."

MOHAWK CARTIER ONLY \$7.95 square yard

INCREDIBLY STRONG... Tough, durable... no fiber can outwear nylon. And no ordinary nylon carpet fiber can beat the strength of Cumuloft nylon. Cumuloft nylon is a continuous filament textured yarn that retains nylon's full strength.

RICHLY LUXURIOUS... You have to feel the lush depth underfoot! You have to see the rich surface... the fabulous new depth and clarity of color! Carpet of Cumuloft nylon pile is like no carpet you've ever owned. It has warmth and softness that is unbelievable.

RESISTS FUZZING AND PILLING... Cumuloft nylon is a continuous filament nylon, with no short loose fibers to pill up or fuzz. That's why carpet of Cumuloft nylon doesn't shed.

RESILIENT... Step on it. Jump on it. Carpet of Cumuloft nylon keeps coming back for more. The resilient nylon yarn springs back, resists matting and retains its luxurious texture.

EASY TO CLEAN... Because the smooth, non-absorbent Cumuloft nylon yarn resists dirt and dust, soiling stays right on the surface where you can whizz it off with the vacuum cleaner. Spills are no catastrophe either. Just spot clean with a detergent and water.

FLASHING 300 SMILE, Archie Beatty, 2804 Forest avenue, shows new ball he used to roll a perfect game Friday at Bowland.

Archie Beatty Has 300 Game

Archie C. Beatty, 32-year-old ballman at Granite City Steel Co., rolled a perfect 300 game Friday night at Bowland.

Beatty, a 125-ounce bowler, had scores of 186 and 168 before tossing his gem to boost his series to 654. He is a member of the Mary's Tavern team in the Industrial League.

His first 300 made him nervous, Beatty said, mostly because of some precarious hits on the "Brooklyn side." He has been bowling seven years.

The 300 by Beatty achieved on lanes 15 and 16 is the third this season at Bowland. Earlier, Louis Sims rolled a 300 in league play and Norm Baker hit one in open play.

There have been 15 perfect league games in Bowland's seven year history.

Karate School Enjoined By Springfield Court

The Judo Karate Contract Division, Inc., which formerly operated a karate school in Granite City and elsewhere was prohibited from using fraud and deception in an injunction signed last week by Sangamon Circuit Judge William H. Chamberlain.

Chamberlain ordered the school to make repayments of various amounts to 34 pupils and also barred the Cosmopolitan Acceptance Corp. from taking legal action to collect on notes signed by the school's students.

Gitchoff Moves To Atom Final; Optimists Win

Gitchoff Reds of Granite City and Seven Holy Founders of St. Louis advanced to the championship game of the Atom soccer tournament Saturday at Coolidge junior high school.

The Reds topped Uncle Charlie's 2-0 and Holy Founders beat St. Ann's 1-0 in sudden-death overtime. The winners play at 11 a.m. Saturday.

Loser's bracket semifinals were won by St. Elizabeth's 4-0 over St. Mary's and Mexican Honorary Commission 4-0 over Mitchell A. C. The winners, both from Granite City, meet in the consolation final at noon Saturday.

Two St. Louis teams moved to the Bantam tourney final as St. Philip Neri defeated St. Thomas More 1-0 in overtime and St. Ann's downed Buzz's 3-2 in sudden-death. The championship is set for 2 p.m. Saturday.

Bantam losers' bracket victories were posted by Belleville 3-0 over St. Elizabeth's and St. Louis A.C. 1-0 over Granite City Steel Credit Union. The victors meet at noon Saturday in the consolation final with St. Thomas More and Buzz's playing at 1 p.m. for third place.

YMCA Soccer League games over the weekend saw Twilight Optimist clinching the Midwest championship with a 3-1 triumph over GBU Insurance. St. Elizabeth's won 3-0 over the No. 1 team in the First Year Atom Division.

Five games are scheduled today at Coolidge: First Year Atom—4 p.m., Leaders vs. Mitchell; Atom—4:45 p.m., Gitchoff vs. Uncle Charlie's and 5:30 p.m., Mexican Honorary Commission vs. Roney Boys; Bantams—4:30 p.m., Buzz's vs. Gitchoff and 5:30 p.m., Credit Union vs. Mitchell.

For unlesioned hot water during a super-modified heat race, Hanner was treated at St. Elizabeth Hospital.

Clyde Lindemann of St. Louis repeated as winner in the fender-bender feature. He also was first in a heat race.

RANDY THOMPSON, former Paddlers Swim Club team member, who is on the freshmen swimming and diving team at Southern Illinois University, Carbondale. He swims backstroke and on a relay team. His coaches here were Keith Parker of Granite City and Bill Kinder of Madison. A son of Mr. and Mrs. Paul Thompson, 2146 Woodlawn avenue, he is a graduate of Granite City high school.

Medwick at Arlington

Joe Medwick, who socked many a drive while starring for the St. Louis Cardinals, tried his hand at driving the golf ball today at the Arlington Golf Club near Granite City. His partner was Roy Lee, who has had the benefit of Lucky Joe's advice in coaching the St. Louis University baseball team.

Child Dragged by Cab; Six Others Hurt in Accidents

Seven persons were injured, one of them a small child who was dragged behind a taxicab, in six of the 23 accidents occurring in the Quad-City area since noon Thursday. Two drivers were hurt in one of the accidents, and one person was injured in each of the other five mishaps.

Boy, 5, Dragged by Car

Donald Caughran, 2, son of Mr. and Mrs. Donald E. Caughran, 4702 Kirkpatrick Homes, when he was dragged several hundred feet behind a taxicab in an alley near his home.

A neighbor who witnessed the accident said the cab driver was unaware that the youngster was caught on the back bumper. The boy was treated at St. Elizabeth Hospital for abrasions and cuts to both knees.

Two Drivers Injured

Robert Turner, 27, of 3136 Carlson avenue, and Gerry L. Corbett, 22, of 2448 Adams street, complained of pains after their autos collided at East 25th street and Nantawoki road. Turner was taken to St. Elizabeth Hospital with pains in the spine and lower back. X-rays were negative and he was released.

Joyce M. Whittle, 17, of 2032 pilson avenue, was injured when her car collided with one driven by Orville L. Dickey, 2901 Washington avenue, at 5 p.m. Thursday on Madison avenue at 29th street.

She was taken to St. Elizabeth Hospital with contusions to the right forearm, both knees and scalp and was treated and released. The accident occurred as Dickey was making a left turn

onto 29th street in her path. Both cars were damaged.

Leslie Shelton, 41, of 148 Big Four place, suffered cuts and bruises in a three-car chain-reaction collision at 2:30 a.m. Saturday on By-rd as 50 two and a half miles west of Route 3, near the Jefferson Barracks bridge, state police reported.

She was a passenger in a car driven by Charles E. Moutiel, 25, of 72 Rongy drive, which was involved in a collision with an auto driven by Gary A. Harpole, Arnold, Mo., and Boggy Round-saddle, St. Louis.

Robert Woods, 31, of St. Louis was given emergency treatment at St. Elizabeth Hospital Friday for injuries suffered in a traffic accident. He had abrasions on his right knee, left elbow, wrist and forehead. Details of the crash were not available from authorities.

Gerald DeMontmollin, 18, of 712 Old Alton road, was knocked unconscious when he was thrown from a car at 2 a.m. Saturday on the Route 303 overpass near East St. Louis. DeMontmollin was taken to St. Elizabeth Hospital by a passing motorist. He was treated for abrasions to the left ankle and back and a stiff neck, and released.

The accident occurred when the car, driven by David Cox, 2227 Missouri avenue, went out of control and crashed into the bridge railing. Cox was uninjured.

Youngsters Suffer Fractures at Play

Deborah Rhodes, 12, daughter of Mr. and Mrs. Eldon Rhodes, 1339 Market street, Madison, sustained a fracture and dislocation of the right ankle yesterday while she was playing ball near her home. She was admitted at St. Elizabeth Hospital, where her condition today is good.

Others who were given emergency treatment yesterday and were released, include: Michael Arakaki, 8 son of Mr. and Mrs. Reginald Arakaki, 2140 Miracle avenue, who suffered a fracture in the left forearm after he tumbled over a fence.

River Hits 28.7-Foot Crest—Now Falling

The Mississippi River which rose steadily last week crested at 28.7 feet Friday and was falling slowly today. The river level stood at 28.2 feet today.

The rising river stage and the present high level poses no threat to the Chain of Rocks canal levees protecting the Quad-City area. The river would have to hit a 30-foot stage before it would be near the top of the levees in this area.

The wedding of Miss Joyce Sykes, a daughter of Mrs. Eva white and red roses centered D. Sykes, 2618 West 22nd street, with a pink cymidium orchid and Eugene M. Carey, son of corsage.

Mrs. Alice Carey, East St. Louis, A maid of honor, Miss Phyllis Sykes, a sister of the bride, and two bridesmaids, Misses Linda Peppers and Trudy Wilson, nieces of the bride, were dressed alike in azure blue imported tulle and floor-length sheath skirts ending in brief trains with small bows at the waists.

The bride, given in marriage by her brother, Bob Sykes, wore a gown of gardenia white tulle. It was designed with a scoop neckline and long petal-point sleeves. Motifs of Alencon lace reemphasized with seed pearls trimmed the bodice and the long sheath skirt which had a detachable court train. A chapel length veil of imported tulle was held in place with a Dior bow of lace and pearls and the bridal bouquet.

For her daughter's wedding, Mrs. Sykes selected a two-piece suit of rose lace matching accessories and a corsage of pink and aquamarine carnations. The bridegroom's mother was in beige lace and white accessories. Her flowers were pink carnations.

Richard Starfield was best man for Mr. Carey, and groomsmen and ushers included James Carey, a brother, William Sykes, the bride's brother, Paul Crake and Gary Embick.

The newlyweds will live at 2618 West 22nd street. The former Miss Sykes was graduated from the Granite City high school and is presently a student at the Logan Chiropractic College.

VACATIONING HERE

Mr. and Mrs. Gary Lane, students at the University of Missouri, will return to school Tuesday after spending the Easter holidays with the latter's parents, Mr. and Mrs. A. J. Mueller jr. of Lindell blvd. Mrs. Lane is the former Gay Mueller.

RECENT BRIDE. Mrs. Carl L. Allen, the former Brenda Freeman, a daughter of Mr. and Mrs. James Freeman of East Alton, who was married at New Hope Baptist Church, The bridegroom, a son of Mr. and Mrs. Carl Allen, also of East Alton, is employed by General Steel Industries, Inc.

MRS. EUGENE M. CAREY, who was married Saturday evening at First Church of the Nazarene. A daughter of Mrs. Eva D. Sykes, 2618 West 22nd street, the bride is the former Joyce Sykes.

Ladies Coterie Elects Mrs. Chapman as President

Mrs. Robert E. Chapman has been named president of the Ladies Coterie for the 1965-66 season. She was elected Thursday, to be held in Chicago May 4-6 together with Mrs. David Friedman, vice-president; Mrs. E. J. Chapman, Mrs. Friedman, Mrs. Griffith, secretary; Mrs. C. A. C. W. Munson and Mrs. Griffith, assistant secretary; and Mrs. Mark Pickett, treasurer.

Mrs. Fred Haug, retiring president, presided over the meeting held in the Chapman home on Delmar avenue. Mrs. John Tate offered the opening prayer and Mrs. L. A. Garner led the group in the pledge to the flag.

Navy Mothers Enroll Member

Quad-City Navy Mothers Club 850 met Thursday evening at the IOOF hall with 20 present, including two guests, Mrs. Boby Keller and Miss Joylen Mertz.

Mrs. Fern Eggley was a new member accepted and the group voted to send \$15 to the Dwight III, hospital, and \$10 to the Memphis, Tenn. hospital for Navy Veterans.

Plans for the installation of officers April 24 at the VFW hall were made, and a surprise shower was given for Mrs. Roy Dollins, a recent bride.

The prize for the month went to Mrs. Irene Weymouth, and Mrs. Earline Frame received the "white elephant".

The hostesses, Mrs. Mattie Hefflin, Mrs. Norma Darnell and Mrs. Della Rapp, served refreshments.

Mad Hatter to Give Benefit Show for GC Altar Society

The Altar Society of St. Elizabeth Catholic Church will present Mrs. Jeanette Elliott, known as "The Mad Hatter," for an evening of entertainment Tuesday, April 27, at 8 o'clock in the school cafeteria on Johnson and Pontoon roads.

Mrs. Elliott is an advertising and public relations executive for a St. Louis dairy. She has a repertoire of interesting subjects, but will give her talk, "The Mad Hatter," here. She is not a milliner, designer or fashion expert, but loves hats, making them, wearing them and sharing them with her audience.

Professionally, Mrs. Elliott is listed in "Who's Who Among Women."

The evening's entertainment will be subject to a 50-cent donation and prizes will be awarded. Refreshments will be served.

The proceeds will go to the women's organization of the church which participates in the purchasing of articles for the school and church throughout the year.

MARY-MARTHA CLASS MEETS IN TROY

The Mary-Martha Class of Third Baptist Church met Thursday evening in the home of Mrs. Bessie Rainwater, Lake drive, Troy.

Mrs. Albert Miller, president, conducted the meeting. Each member gave gifts to be sent to the Carmi Children's Home and a "get well" card was sent to a class member who is undergoing tests at the Mayo Clinic.

"Give of Yourself" was the topic of the devotional by Mrs. Allie Smith and after the business hour there were games. Refreshments were served to 15 members.

EASTER DINNER ON 85TH BIRTHDAY

Mr. and Mrs. John Favier, 2100 Amos avenue, entertained guests at a dinner Easter Sunday. The guest of honor was Mrs. Favier's father, Joseph Mulick, who was celebrating his 85th birthday.

Others present were Mr. and Mrs. Edward Richardson and Mrs. Mark, of Shrewsbury, Mo. and Mrs. James Breyer, Oak Park, Ill. and Mr. and Mrs. John Breyer, who returned Mary Ellen, of Granite City, Annette and Mary Beth Favier.

"The Resurrection and Our Faith" was the topic of the devotion by Mrs. Affolter. A gift was sent by the class to a child of one of the members who was ill recently and refreshments were served.

Others attending were Mrs. Betty Scrum, Mrs. Denise Wright, Mrs. Dolores Carson, Mrs. Mary Lou Summers, Mrs. Barbara Shanker, Mrs. Velma Christian, and the hostess and her daughter, Diana.

HERE FROM GEORGIA
Mrs. M. and Mrs. Wayne Bridgman and family of Decatur, Ga., former Granite Cityans, spent the Easter holidays with relatives here. They were accompanied by Mrs. Bridgman's mother, Mrs. Fern Edwin, 2611 Edwards street, who returned home after several weeks visit in the south.

TO THE VOTERS OF GRANITE CITY TOWNSHIP

I wish to thank you for your vote of confidence

SUPERVISOR

All the clubs deep in the process of rolling up points for the second turn-in on May 4 . . . St. Margaret Mary, Warrior Boosters, St. Joseph's Parents and Friends, Eastern Star and all the others determined not to let Madison Band make it two in a row . . .

Our personal guess is that the club that uses the minimum of 25 coupons . . . EACH of the sponsors will wind up with the 5,000 extra bonus points and first money at the May 4 turn-in.

One quick way to roll up a flock of points is to use the special Sav-Mor Supermarket coupon and spend at least \$2.00 at the store — this is good for an extra 100 points . . . so if your group uses 25 of the Sav-Mor coupons, this is good for 2500 points — and that's lots of points!!

Advance word from Detroit tells us that the 1966 Buick is going to be the most fabulous car ever — and one of these in the station wagon model will go to the top club in the Derby.

Deepest sympathies to Hal Mueller and his family on the passing of Gerhard Mueller last week — Mueller's Home Made Sausage is one of the Derby sponsors.

Incidentally, Gauzen Lumber of Collinsville has joined the rank of Derby sponsors — each dollar purchase there good for ten points (How about a new kitchen????)

The girls are all raving about the fire break paint demonstration at Mathis Repair, 1300 State St. — costs you nothing, takes about five minutes — and it's good for 30 bonus points per person!!!

Informative, self-improving and a great point getter — a cosmetic demonstration from Merle Norman — good for 23 bonus points! Call Ruth Elmore at TR 7-8372.

And since the month of weddings approaches — June — bear in mind that diamond purchases from Harvitz are worth double bonus points . . .

Everything for spring at Friedman Furniture and Hardware and these fine people boast of housing over 40,000 items — buy anything there with the special bonus coupon and get an extra 20 bonus points . . .

The 84c blouse at Leader's is one of the smartest things we've ever seen — and with the coupon on the purchase of one of these your club earns an additional 30 bonus points . . .

Just figuring the total number of bonus points on the coupon sheet — comes to an even 500. Now if 25 of these are used at EACH sponsor it would come to 12,500 points PLUS the extra 5,000 points for each 25 from each one and that makes a total of 17,500 points (Won't that 1966 Buick Station Wagon look good in YOUR driveway???)

Answer to a number of queries: That is the well known St. Louis radio personality Ed Wilson singing a La Lorna Greene on the Krey Meat commercials . . .

And those Krey Gourmet Hams provide a feast fit for a king — plus 100 bonus points per wrapper!!

Plenty of bonus sheets left — call us at Glenview 1-9950 . . .

Marlene Serini is one of the greatest gals we know — get acquainted at the Madison Beauty Mart, 325 Madison Ave. — all kind of service there good for 30 points with the coupon . . .

It's a real great coupon the Tri-City Cleaners have in — 20 bonus points plus 10 Derby stamps with each dollar on the cleaning order . . . and this is spring cleaning time so what a way to roll up points (and the stamps will be redeemed by us for 1c apiece!!) . . .

Be sure to dig the Derby News every morning at 9:30 and every afternoon at 2:30 with Ann Burton — at 920 kc. natch!!

Car Falls Off Bridge, Two Sue for \$30,000

A \$30,000 damage suit, listing \$15,000 in two counts, has been filed in Madison county circuit court against Interstate 270 highway contractors for an Aurora, Ill., couple.

The complaint alleges that Alfonso and Annie Mae Torrence were driving west of Mitchell on the highway beyond the Route 3 intersection on the night of April 24, 1964, and did not know that there was no middle span to the bridge over the Chain of Rocks canal. Their car went over the end and crashed to the ground.

They were hospitalized here and claimed permanent and severe injuries, charging that the firms failed to place signs and barricades to give adequate warning to motorists at night.

Defendants are Edwin-Colton Contracting Co. of St. Louis, Goodfellow Brothers Inc. of Belleville and United States Steel Corp., American Bridge division of Chicago.

Music Education Workshops Slated This Week at SWIU

Southwestern Illinois University will hold three music education workshops this week at its Alton and East St. Louis centers, with Margaret Hulley Marquis as guest clinician.

Mrs. Marquis, active in the field of music education for the past 10 years and an exponent of Carl Orff Method, Music for Children, will demonstrate his creative approach to music training. She has studied this method extensively at the Royal Conservatory of Music in Toronto, Canada.

In the workshops, rhythmic movement, singing and playing of such instruments as the glockenspiel, xylophones, metallophones, recorders, wood blocks, tambourines, drums, tom-toms and timpani will be combined to illustrate Orff's method.

The first workshop will be held Tuesday from 4 to 8:45 p.m. at SWIU's Alton center gymnasium.

The second session, running from 9 to 11 a.m. on Wednesday, will be held in Room 212 at SWIU's East St. Louis center. The final session will be from noon to 3:30 p.m. at the Alton center, Annex A, Room 104.

Mrs. Marquis received an associate degree of music education from McGill University in Canada, and her bachelor's and master's degrees in music from the New England Conservatory. Her further study included a fellowship at a Harvard University summer session, as well as courses at Columbia University.

Author of a guidebook for teachers, "Rhythms, Rhymes, and Songs," she has taught in Canada, Vermont, Massachusetts and New York. She is currently teaching at Manhattanville College of the Sacred Heart in Purchase, N.Y., and at Whittier School in Greenwich, Conn.

Three Divorce Decrees Granted to GC Couples

Three Granite City couples were divorced last week in Madison county circuit court at Edwardsville. They are:

Helen Goodson from Eldon Goodson. They were married Oct. 20, 1956, and separated Aug. 31, 1964. She charged cruelty and obtained custody of four children. He was ordered to pay \$20 per week child support.

Gerald Ely from Lynda Ely. They were married Sept. 15, 1956, and separated last March 14. He charged cruelty. There are two children. A decree was to be submitted today.

Marie E. Young from Norman Young, on a counter complaint. They were married Sept. 15, 1947, and separated Sept. 16, 1963. She was awarded custody of one child and he was ordered to pay \$40 per month child support plus \$40 per month alimony.

Nine Area Inductees Leave For Service

Nine draftees from the Quad City area left Friday for military service under a quota fixed for the month of April. Ten youths were scheduled to leave but induction of one was postponed.

Those who left today included Willie Gardin and Lutell Swape, Madison; Kenneth McGinnis, now of Mulberry Grove, last formerly of Madison; Jaynell L. Robin, now of Collinsville but formerly of Granite City; Henry V. Kahn Jr., James J. Buech, Eugene E. Carson, James O. Bonwell and John W. Peterson, all of Granite City.

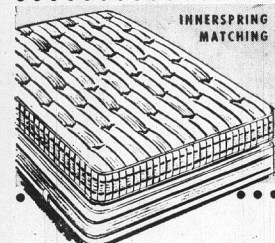

The quota for May 7 will be five inductees and 28 examinations.

Dear Friends and Voters of the City of Madison

Dear Friends and Voters of the City of Madison:

Win or lose this election, we all owe a vote of thanks to the courageous candidates who have fought hard against overwhelming odds. A machine entrenched for 23 years and sitting on sacks of money is not an easy target. These independent candidates have done a service to our town by creating some thought and conscience-examination by our citizens. They have forced the machine to put some of our money back into circulation.

If this dynasty is left in control of our City there will be many eyes watching them. They just might not be as indifferent to public opinion as they have been in the past. Their fortress has been strafed and one day a big bomb might fall, and this Monarchy will topple. That day could be April 20, 1965.

Friends, we respectfully solicit your vote in tomorrow's election: Your free constitutional right to select the type of government you want for Madison. For the first time in 20 years the choice is yours in the privacy of America's most cherished possession — the Voting Booth.

EASTER PARADE at St. Mark's Church, Venice, as viewed by a Press-Record photographer, who described the scene as colorful. Similar spring fashions were evident as churches were filled with worshippers throughout the Quad-Cities.

Boys Hurl Firecracker, Rocks—and Prowl

Police were called on three complaints involving groups of boys within 25 minutes last night between 8:30 and 8:55. Boys were hurling rocks in the 1500 block of Clark avenue and were escorted home, and in the 2200 block of Lynch avenue, two boys knocked on a house door, then dropped a lighted firecracker and fled in an auto. The last complaint was in the 2600 block of Madison avenue that there were prowlers. Police spotted two small boys one wearing a red sweater, but the youths managed to elude the officers.

Lights Fall on Pole Crossarm; Cause Blaze

Main station firemen were called out about 9 o'clock last night and summoned Illinois Power Co. crewmen to help with a blaze on a utility pole in the 1800 block of DeMar avenue. Firemen said overhead lights had fallen on the pole crossarm, causing the blaze. The power company crew removed the lights and extinguished the flames with dry powder. No estimate of the damage was given.

\$100 Blaze in House Basement Early Today

A fire of undetermined origin broke out about 1:50 a.m. today in the basement of the home of John Curtis, 2311 (rear) Illinois avenue, and caused \$100 damage to contents.

West Granite firemen who were on the scene until 2:25 a.m. said no one was injured.

Police Investigate Boys in Manhole

Perplexed residents in the vicinity of Davis and Clark avenues reported to police about 1 p.m. Sunday that boys were going in and out of a manhole at the intersection.

Investigating officers were informed by the boys that they had lost baseball. The baseball was found and police ordered the boys to replace the manhole cover.

Bartender's Nose Broken In Fight With Patron

A bartender at the Tri-Mor Bowl suffered a broken nose in a fight at 12:45 a.m. Saturday at the bowling alley and was treated at St. Elizabeth Hospital. He was struck with a flat and bottle.

Passes Toll Station

William Busch, 22, St. Louis, was arrested by Venice police at 9:35 p.m. Sunday on a charge of failing to pay bridge toll on McKinley bridge. Busch was picked up at Third street and Madison avenue after passing the toll station. He posted \$25 bail for a hearing April 28.

Anti-Poverty Unit Outlines Madison County Program

Plans for a county-wide anti-poverty program and organization of a Madison County community action committee to conduct the program was authorized in a meeting of about 100 persons at the Sunset Hill Holiday Inn Thursday night.

Courty School Supt. Wilbur R. L. Trimpe who has been serving as acting chairman of the temporary Economic Opportunity committee was authorized to appoint members to steering, membership and nominating committees.

Thomas Jackson, director of the Illinois Economic Opportunity Office, explained how the county commission may be established and become eligible for government funds for projects planned by community subcommittees. Malcolm Thompson, temporary chairman of the Quad-Cities Community Action Committee, told the group that "we feel that we can accomplish more by being a part of the county committee than trying to do it ourselves."

Trimpe said he believes it is possible to obtain \$75,000 in federal funds to begin operations of the county committee, including the employment of a full-time director.

Jackson pointed out that Madison county ranks fifth in population among Illinois' 102 counties, but that it ranks third in the most commonly used poverty index. He said the county is third in families having less than \$3000 annual income; third in the volume of unemployment; third in the number of persons receiving aid to dependent children; and third in volume of school dropouts, and said there are 28,693 persons over 18 who have education. This, he pointed out, is less than an eighth grade education of the population.

Trimpe is to speak at a meeting of the Quad-Cities committee in the YMCA here Wednesday night to explain procedure for organization of a subcommittee for this area.

Among those attending the county meeting from the Quad-City area were Mayor Steven Maerz of Madison, who said he wanted to see something done about the large number of school dropouts, and David Morgan of the Granite City Housing authority who pointed out that many of the persons aided by the poverty program will come from housing projects.

Also attending from this area were Daniel Smith of the YMCA; Wensel Brown, superintendent of Madison schools; Russell D. Johnson, superintendent of Granite City schools; Mrs. Howard Parker of the Illinois Youth Commission; M. A. Wittevoegel, director of vocational and adult education in Granite City; and Roland Lewis, president of the Newport Junior Chamber of Commerce.

Crash on Madison Ave.

Auto driving north in the 2000 block of Madison avenue by Robert King, 1924 Johnson road, and Charles Cassidy, St. Charles Mo., collided Saturday when King stopped suddenly as a child ran into the street in front of his car. No one was injured, police said.

Faces Three Charges

Alonso Lowe, 58, of 2117 Grand avenue and also Gary, Ind., was arrested early Sunday at the Grand avenue address on charges of being intoxicated, creating a disturbance and using profanity. He was later released on \$75 bond.

MOTHER-DAUGHTER BANQUET IS PLANNED

A mother-daughter banquet on May 13 was planned Wednesday night during a meeting of the Minerva Women's Club at the Rose Bowl restaurant, attended by 15 members.

Mrs. Kenneth Rapp, president, and Mrs. Herbert Henry, vice president, were hosts.

The members also made final plans for a card party to be held April 29 at the YMCA to raise funds for club projects.

In games Wednesday evening, prizewinners were Mrs. Kurt Metz, Mrs. Billy Terrell, Mrs. William Cravens and Mrs. Charles Goff.

PTA MEMBERS WILL VIEW SERIES FILM

Color movies of World Series baseball from the Cardinals and the Yankees will be shown at 7:30 tomorrow evening at a meeting of Prohart PTA. Parents also will hear plans for a new-style school picnic to be held May 25 at Wilson Park.

New kindergarten pupils, who will register April 30 at Prohart school, are required to show a birth certificate when registering, parents are being reminded by PTA officials.

CANDLELIGHTERS MEET WITH MRS. MORLEY

Mrs. Arlene Moeley, 912 Eileen street, Collinsville, entertained the Candlelighters Thursday evening for their regular meeting. The members celebrated Mrs. Norma Loftis' birthday.

Pinocle was played with prizes awarded to Mrs. Shirley Brown, first; Mrs. Shirley Thompson, second; and Mrs. Doris Thompson, third.

The hostess, Mrs. Moeley, decorated in the Easter theme, with yellow toy rabbits as favors. A centerpiece of fresh cut flowers was flanked by lighted vologas tapers on the serving table. The guests were served rainbow cake and ice cream.

Others present were Mesdames Arlene Laub, Shirley Breeze and a guest, Linda Stadthagen.

The next meeting will be in the home of Mrs. Laub, 3275 Westchester drive, May 6.

How to control giant foxtail in corn all season without carryover problems.

One spray of Atrazine 80W gives you effective control of giant foxtail for the entire season.

Just broadcast Atrazine right after the first flush of foxtail has emerged and follow with a rotary hoeing or shallow cultivation.

Full season control with Atrazine prevents foxtail from germinating late in the season and producing seeds that will make your foxtail problem even worse next year.

Avoiding a carryover problem is easy. Just be sure you apply Atrazine at the rate recommended

for your particular soil type and do not exceed 3½ lbs. of Atrazine 80W per acre broadcast, or 1¼ lbs. per acre in a 12-14 inch band.

You'll stop giant foxtail and increase your yields.

Ask your local dealer for Atrazine 80W herbicide.

100 Attend Service Clubs Maundy Thursday Service

More than 100 members of nine Quad-City men's service organizations participated in the annual, noon-hour Maundy Thursday service and luncheon held last week at the First United Presbyterian Church, 22nd street and Delmar avenue.

Principal speaker was Steven B. Stevens, a Christian layman and widely-known newscaster for radio station Kook, St. Louis. His message was taken from the topic "What It Means to be a Christian."

Dr. David B. Maxton, pastor of the host church, gave the welcome address, and Rev. James R. Craddock of the Central Christian Church offered the invocation.

Robert Brave, president of the Granite City Optimist Club, introduced members of the various groups present, among which were representatives of his own club and the Granite City Rotary Club, the Noonday and Twilight Optimist Clubs, Mitchell and Granite City Kiwanis Clubs, Madison Lions Club and the Junior Chamber of Commerce.

Rev. John N. DiGiacomo, pastor of the Mitchell Presbyterian Church, led the hymn singing, and the Scripture was read by Rev. Robert J. Baumann of St. Peter Evangelical and Reformed Church.

Prayer was offered by the Rev. Paul R. Sims, pastor of Niedringhaus Memorial Methodist Church, and Rev. Harry B. Colquhoun of the Madison Presbyterian Church closed with the benediction.

Orders from Pakistan Filled by GC Steel

Foreign aid-financed orders from Pakistan for steel sheets and pipe valued at \$68,591 have been filled by Granite City Steel Co., the Agency for International Development (AID) reported today.

Orders were financed through credits from U. S. development loans enabling Pakistan to import American-made goods required for continuing industrial and commercial development. Most procurement under the loans involves iron and steel materials.

American firms produce more than 90% of all goods purchased by developing countries through AID financing. The yearly U. S. volume of AID program exports is now at the billion dollar level.

Air Pollution Control Law Heads GC Council Agenda

Two regular council sessions—including one at 8 o'clock tonight—remain for Mayor Davis and the present board of aldermen, and tonight's agenda contains the air pollution control ordinance on which action was deferred two weeks ago.

Council members also can expect a proposal from LaMar United Disposal Co., St. Louis, for a new three-year contract for garbage and trash collection that will include a landfill operation with a site to be provided by the firm.

A vice-president of the company, Frank Yust, attended last week's council committee meeting during which the Finance Committee, supported by Mayor-elect Partney, recommended award of a contract to National Disposal Co., Barrington, Ill., on its \$2,745 low bid under which the city is to provide a landfill site.

Yust said he would submit a better figure at tonight's meeting, but council members indicated last week they would restrict the contract award to the firm that met the March 15 deadline for proposals.

LaMar United proposed a \$147,500 contract until March 19, four days after the bid deadline.

Copies of the LaMar-United proposal were distributed to aldermen over the weekend.

Council action also might be called for on the \$900,000-a-year salary set by the town board of auditors on April 6 for the township tax assessor. The city council earlier had approved a \$480,000-a-year increase to boost the tax assessor pay to \$750.

No recent report has been received on a special census proposed several weeks ago to begin work toward redistricting the city's wards to equalize population and to eliminate the confusion of separate polling places for city and township elections.

The agenda also includes requests for excavation permits by Southwestern Bell Telephone Co. and a letter from the Interstate Commerce Commission, St. Louis, thanking the city for its cooperation through the efforts of William Jenkins, assistant city inspector.

Five Drivers Arrested, Police Use Radar Unit

Five drivers were arrested on speeding charges Thursday as police operated the radar unit at 2800 and 2900 Madison avenue and 2300 Pontoon road. Hearings were set for April 29.

They are Janet H. McFarland, 2737 Denver street; Ronald C. Anderson, 4016 Division street; Conrad D. Kirkpatrick, New Athens; Lillie R. Jablonick, East St. Louis; and Lynn Earnest Collins, 2821 Saratoga avenue.

Truck Driver Arrested

Allen Jackson, Brooklyn, was charged with driving without a license after his pickup truck struck the left front of a car driven by Nathaniel Davis, 2130 Johnson road, at 2:20 p.m. Thursday at 20th street and Edison avenue. Jackson had passed Davis and cut in too soon while Davis was stopped for a red light. He was released on \$100 cash bail on Friday.

Zoning Change For Store Center At Mitchell Sought

The Madison county zoning board of appeals will hold two public hearings May 7 on requests for zoning changes in this area.

One request is for the proposed Melvorn shopping center on a 17-acre tract on By-pass 66 a quarter-mile west of Highway 111 near Mitchell, seeking a change from a B-2 general business to a B-3 high business district.

The petition was filed by John and Charles Lucas, owners of record, and the Lindberg Investment Co., Inc., purchaser.

The structure is to contain 20,000 square feet of space to provide for a complete department store with a satellite food market, automotive services, cafeteria, offices and service shops. A parking area will provide for 1700 autos. The hearing is set for 10:20 a.m.

The other request is to permit construction of a multiple family dwelling in a one-family residence district a mile north of Granite City near Route 203 on the petition of Russell R. Lewis, owner of record, and the James C. Green Construction Co. The hearing is set for 10 a.m.

GCMS Band to Play At Kiel Auditorium

The Granite City high school band, directed by Louis Meek, is scheduled to perform on Illinois Day, Thursday, April 29, during the four-day Governments at the Gateway exhibition which opens April 26 at Kiel Auditorium, St. Louis, for that city's biennial celebration.

Also scheduled for Illinois Day are performances by the Collegiate Singers of Southwestern Illinois University and a concert by the SWIU Symphonic Band. Also to appear are the Belleville Township high school choir and the Wood River high school stage band.

The exhibits will be open daily from 10 a.m. to 10 p.m.

Family Service Agency to Hold Annual Meet April 26

Randall Robertson, Granite City attorney and a board member of the Family Service Agency, will be the speaker at the annual dinner meeting of the Family Service Agency of Southwestern Illinois which will be held in the Gateway room of the Illinois Club East St. Louis Monday, April 26, beginning at 6:30 p.m.

A special program has been arranged to acquaint area attorneys with the various services available from the agency which may be of benefit to their own clients such as marital counseling, debt counseling and counseling with individuals who are in trouble with the law because of anti-social behavior.

Robertson will speak on "The Law and Social Work." Terry W. Francis, also an FSA board member and Granite City attorney, and Judge William P. Fleming, an associate circuit judge in charge of the Family Division in St. Clair county, will serve as participants, commenting on their own collaborative work with the Family Service Agency.

Special invitations have been sent to all lawyers in the southwestern Illinois area. In addition, William Beatty, president of the Madison County Bar Association, has written to those lawyers in the portion of Madison county served by the agency in the Quad-City area, Collinsville, Edwardsville and surrounding areas—urging them to attend the meeting. The general public also is invited to attend the meeting.

Reservations may be made through the Family Service Agency office, 324 Murphy building, East St. Louis, at \$2.75 per person. The agency is a member of the Tri-Cities Area United Fund and conducts counseling interviews by appointment only on Saturdays in the offices of the United Fund, 1330s Nineteenth street. Appointments for interviews in the Granite City office can be obtained by telephoning the agency's East St. Louis office, UP 5-8750.

Driver Faces 3 Charges

Hubert Dixon, 2003 Knappa street, was arrested Thursday on 18th street at the Union Starch & Refining Co. plant on charges of driving while intoxicated, driving without a license and driving on the wrong side of the road. He was released Friday on \$4000 property bond.

EXPERIENCE IS NOT THE ANSWER IN MADISON

Experience is youth, vitality and a genuine desire to serve the best interests of the City of Madison, Mr. Maeros claims to possess the asset of EXPERIENCE, but let's refresh our memory — he was about Bob Burns' age when first elected Mayor, and previous to that was only a bookkeeper at a local coal company. We contend that since being elected Mayor he has not used the administrative abilities he claims to possess for the betterment of our city, but rather to gain personal advances for himself. His 23 years experience has built a dynasty that has given one man complete control over our thoughts, selection of our friends, and over the education of our children. Witness the fact that anyone that dares have the courage to voice opposition to this dynasty is forced from the organization and branded with different labels. We have one Freedom left, so exercise that freedom on April 20 and remember when you pull that curtain on the voting booth no one knows where you place that X on your ballot. Protect that one right, exercise your conscience and assert your constitutional right. Place that X where your heart dictates.

UNITED PENTECOSTAL CHURCH groundbreaking ceremony which took place Easter Sunday on the new site in the 2500 block of Pontoon road. Left to right are—Virgil L. Hudson, trustee, Otis Skinner, board member, Rev. Kenneth V. Reeves, pastor, with shovel; Rev. Roy L. Mast, field director for United Church builders, and Rev. Wesley Miller, office manager for United Church Extension.

United Pentecostal Church Holds Groundbreaking

A groundbreaking ceremony, a church board member, Rev. Roy L. Mast, field director for the United Pentecostal Church at 2500 Pontoon road was held yesterday afternoon. The church membership of over 300 persons has outgrown the present building at West 22nd street and Bayview avenue.

Rev. Kenneth V. Reeves, pastor, said construction is to begin this week with Howard Tiller in charge of construction, which will be on the south side of Pontoon road between Maryville and Stearns avenue. Assisting the pastor in the groundbreaking ceremony were Virgil L. Hudson, trustee; Otis Skinner, board member; Rev. Roy L. Mast, field director for United Church builders, and Rev. Wesley Miller, office manager for United Church Extension.

Goal is to Break Attendance Record

Record-breaking attendance in both Sunday school and Training Union is the goal for the closing Sunday, May 2, of the one-week evangelistic crusade at Grace Baptist Church, 2600 Edwards street, according to an announcement today by the pastor, Rev. Clifford Mueller.

Weekly meetings are at 7:30 p.m. The minister for the crusade is the Rev. Vinco Lambert, pastor of Calvary Baptist Church, Independence, Mo.

Music is being directed by William Rainwater, music director at the Methodist church, Collinsville. Members of the various classes are visiting each evening during the campaign in the interest of increased attendance at both the evangelistic services and their own classes.

The goal for Sunday is 300, both the previous high attendance was 338. Sunday school is at 9:30, followed by morning worship at 10:45.

Auto Hit by Train

An auto driven by James P. Walker, 1119 Bissell street, was struck by a New York Central train at the Bissell street crossing about 3:40 p.m. Saturday. Walker, who was unhurt, told police the auto had stalled. H. E. James of Mattson was the train conductor. A witness told police the auto had been driven around lowered crossing gates.

3 Mishaps Result In Fractures

Three women suffered fractures and a young girl dislocated her right knee in separate accidents Friday in the Quad-Cities. All were given treatment at St. Elizabeth Hospital and released.

The injured youngster is Debra Murphy, 10, daughter of Mr. and Mrs. David Murphy, 2942 Spalding avenue, who was sitting on a low wall at the Long Lake Amvets club, 5100 Lakeview drive, when she injured her knee. The Maryville school fifth grade pupil was taken to hospital by ambulance, where a cast was applied and she was released.

Mrs. Tasa Georgieff, 1742 Maple street, who fell at her home, suffered a fracture to her left wrist; Joyce Galvin, 21, of St. Louis, suffered a broken right finger and abrasions to the left eye when she fell down several steps; and Mrs. Esther Munoz, 642 Washington avenue, Venice, who fell at home, sustained a small bone fracture in the shoulder.

Others who received emergency treatment Friday were—Samuel Hall, 21, of 2017 Washington avenue, who was advised to seek additional medical attention at McMillan Hospital; St. Louis, after he was grazed on the right eyelid with a BB pellet; Laurie Ann Holloway, 2, daughter of Mr. and Mrs. Charles Holloway, 2818 Marshall avenue, who incurred a superficial head cut when she fell back; Ralph Vess, 3, son of Mr. and Mrs. Anthony Vess, 2575 Watterman avenue, who cut his upper lip on a coffee table.

Others who received emergency treatment Friday were—

Donna Butler, 15, of 1931 Benton street, a high school sophomore, was given emergency care at St. Elizabeth Hospital on Saturday after she had run her arm through a storm window at home.

The girl, daughter of Mr. and Mrs. Lawrence Butler, suffered a tumbler cut to her breast, a cut to her elbow and a four-inch cut to her middle finger.

Pellet Damages Windshield

Mrs. William Ezell, 3025 Edgewood drive, summoned police last night to St. Clair and Wayne avenues where the windshield of her auto had been struck by a pellet. Police said there was a small hole in the glass.

Fire Damages Awnings

A fire of undetermined origin caused \$50 damage about 9 p.m. Saturday to the awning at Strauss street, 1331 Nineteenth street. Firemen from the main station extinguished the blaze.

Dr. Clyde Funkhouser, superintendent of the East St. Louis district of the Methodist Church, presided at the Quarterly Conference meeting held Thursday evening at the Venice Methodist Church on Broadway. Church officers were elected for the ensuing year with several being re-elected. Reports on the past year's business were given and suggestions were made as to what should be done to improve the outreach of the church within the community.

In the past year the Church experienced a slow but steady increase in attendance at both the church school and the Sunday morning worship service. Doctor Funkhouser complimented the church for its growth and prosperity and discussed with the members the kind of pastoral leadership they should have in the future.

Assistant Scoutmaster Fred Rumpf was in charge of the Boy Scout Troop One meeting held Saturday morning at the Venice City hall basement. Rumpf presented Second Class scout awards to Pack Lee, Kirk Reidelberger, David Scaturro, Tim Tolliver and Duane Georgeoff. Tony Gebora received a Tenderfoot pin.

The boys worked as patrols toward advancements. The meeting closed with the scout oath.

Other boys present were Jim Ohlenford, Terry Rumpf, Johnnie Moad, Mark Koelker, Gary Bina, Jim Miller, Stuart Kutz and Al Pace.

Local Tours Listed In State Brochure

A new Illinois calendar of events, prepared and distributed by the Illinois Information Service at Springfield, gives details on arranging tours of the Granite City Steel Co. The pamphlet is given statewide distribution.

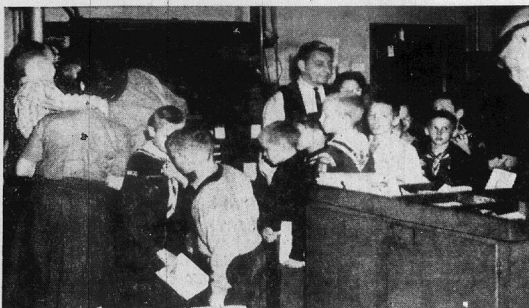

For tours of the Depot, a letter must be written to the commanding officer at least 14 days in advance and data required includes the number of adults and children and the reason for the visit, along with the names, addresses and phone numbers of the responsible persons. The tours may be arranged for 10 a.m. until noon or 1 to 3 p.m. Monday through Friday.

Granite City Steel Co. requires one to two weeks notice for tours. The firm prefers evening or Saturday tours and the minimum age is 16 years. Women are not permitted except with educational groups.

Ronald Criss Takes Part In Exercise Quick Kick

Yeoman Second Class Ronald L. Criss, USN, son of Mrs. T. A. Criss of 2435 Missouri avenue, took part in Exercise Quick Kick VII, aboard the coastal minesweeper USS Orleans Parish.

Quick Kick VII was a joint services operation on Vieques Island, off the southwestern coast of Puerto Rico, designed to test tactical concepts in joint operations by the United States Atlantic Command, using an actual amphibious landing and airborne assault for the tests. Approximately 3500 Marines, 3000 sailors, 2500 soldiers and 1000 airmen participated.

TYPESETTING MACHINES at the Press-Record captured the interest of Cub Scouts from Sacred Heart school, who toured the newspaper's offices, press room and plant last week. Explaining the typesetting operation is Donald Shone, assistant advertising manager. Among the boys, who represented Den One, Cub Pack 18, were Mark Bazif, John Bruch, Larry Kayich, Michael Frances, Laurel Gargac, Mark and Joey Lanchan, Mark and Mike Stephens and Randy Moore. The youngsters were accompanied by their den mother, Mrs. LeRoy Lanchan and her daughter, Mrs. Terry Brady and son, David of Springfield, Ill.

Tobacco Plants to be Placed Here to Measure Ozone

Tobacco plants with a purpose will be placed in Granite City late this month as a part of the interstate air pollution study.

The plants will be assigned to the Home Nursery Greenhouse, 2900 Madison avenue, where these will be set inside and four outside to determine the extent of damage to plants by air pollutants.

Particular attention is to be paid in the study to the harm caused by ozone, a form of oxygen normally found as a faintly blue irritating gas with a pungent odor.

The program is intended to confirm the frequency of pollution and possibly determine within four hours the time that a plant was contaminated. It was explained by Dr. C. Stafford Brandt, a biochemist for the U.S. Agriculture Department.

He said the tobacco plants, which are to be placed at 14 locations in the two-state metropolitan area, have been grown with special treatment to make them sensitive to ozone. Ozone has caused damage to such vegetables as spinach.

The study is to be carried out over a period of four to five months. Daily records of pollution damage are to be made.
